

# Supplementary notice

## **SUPPLEMENTARY WATER ACCESS FOR NSW MURRAY AND LOWER DARLING VALLEYS**

24 February 2023

*Department of Planning and Environment* has approved an extension to the supplementary event in the NSW Murray River System. Unregulated flow has ceased in the upper reaches. Inflows from Wakool and Darling Rivers continue to extend unregulated flows in downstream reaches. Extension to reaches are indicated on page 2.

Licence holders are reminded that all diversions count as per the licence conditions and accounting rules.

Customers wishing to access supplementary water must provide a START meter reading and place a complying water order using one of the following options:

- Accessing [WWW.WaterNSW.com.au](http://WWW.WaterNSW.com.au) and registering or logging on to your *iWAS* account
- Faxing your order to **1300 871 447**
- Emailing your order to [south.orders@waternsw.com.au](mailto:south.orders@waternsw.com.au)
- Telephoning your order to **1300 662 077** During business hours.

[Water order forms](#) are available from the Water NSW web site.

Customers are reminded that with the conclusion of supplementary access an END meter reading must be provided, and as regulated flow conditions would resume water orders must be placed in accordance with their licence conditions.

WaterNSW will continue to monitor the situation closely and if required, further advice will be issued on or before, Monday the 27th of February 2023.

For further information contact the Operations Officer, WaterNSW Southern Valleys on 02 9685 4334 during business hours.

*(See page 2 for details of supplementary availability).*

*(Page 1/2)*
