

# Supplementary Expression of Interest

## Lower Namoi - Gwydir Valley – Border Rivers

28 June 2021

WaterNSW is seeking expressions of interest for continuing Supplementary Access in the 2021 2022 water year, in the Lower Namoi, Gwydir and Border Rivers regulated river water sources.

Current supplementary events in these valleys are likely to extend into the new water year.

Customers wishing to extract water from the ongoing events into the new water year are requested to either complete the table below, or phone Ken Gee on 0427 293 534 to discuss your water requirements.

With the new water year available account balances are likely to be reset as per DPIE advice. This advice indicates that the Border Rivers is likely to receive an opening AWD for Supplementary accounts of 75% and the Gwydir is likely to receive an opening AWD of 50% for Supplementary licences.
